**Have your voice heard!!!
This is the group conscience of Area 60,
and we would love to hear from you!**

Cost:

This year will be a free event!!!

Q: If it is free, why do I have to register?

A: One, it gives us a better idea of how many people will be attending the event for food and planning purposes. Two, when you register you will get access to the background material.

Q: Can I attend if I do not register?

A: Yes, the event is open to all AA members of Area 60. Outsiders may come as observers. But if you do not register beforehand, you will not receive any of the background material ahead of time and we cannot guarantee lunch.

Q: What kind of Service Opportunities will there be?

A: Greeters, moderators, timers, and panelists will all be required.

Q: Why should I read the background material?

A: Only an informed group conscience can make an informed decision.
